

Mission, Vision and Goals can be spelled out as:

Diversity Framework and
Initiatives for a **Culture that is Inclusive** with
Vision, Mission and Goals of promoting
Equality, acceptance, appreciation, and
Respect for even the subtle differences,
Sensitivities, and unique traits among
Individual members of our campus and community.
To strengthen our ties through workable
International or Global Diversity Initiatives within our
Educational system for the preservation and good of
Society.

Diversity Framework spelled out as:

Diversity Framework that carries out
Initiatives for preserving and strengthening of positive
Values
Ethics and
Respect; and, for the promotion of
Social Consciousness that
Inspires and inculcates appreciation of both the common and unique
Traits inherent among individuals; and, encourages communication that
Yields trusts and positive working and learning relationships

Framework that is
Responsive not only to possible existing issues or concerns but
Also for the preservation and adoption of persuasive
Measures and thrusts that are responsive to the
Ever changing climate, population, trends, and scenarios
Working continuously to
Overcome even the subtle differences
Rendering plans, programs, activities that will increase common awareness,
Knowledge and understanding of the profound and diverse nature of humanity
