Judith Wilson Burkes (client)

Judith hired you as a Instructor in 2008

#### Top qualities: Personable, On Time, High Integrity

"Myrene was one of the first instructors I had when I returned to higher educational learning in August 2009. As a mature student returning after a 21 year absence, I had many apprehensions regarding my success. Myrene instantly made the virtual education environment a success. Her personable approach broke down geographical and technical barriers. She created an atmosphere of collaboration and support that translated into vibrant threaded conversations and achieved educational goals. I recommended her to University of Phoenix in their final class survey and would not hesitate to highly recommend her to anyone else." May 27, 2009
