To Whom It May Concern:

This letter serves as my unconditional recommendation of **Myrene Magabo**. For the past three years, I have had the distinct pleasure of knowing and working with Myrene in the capacity as Board Member of the American Communications Association (ACA).

Myrene is a dedicated and hard working member of the ACA. Her ideas have been intuitive and well thought out, and we as an organization have been delighted to adopt a number of them. Also, I have worked directly with Myrene on an e-textbook project. Myrene is an enthusiastic member of the team, and she volunteers her time and talent readily. Myrene has a gift for inspiring others with her ideas, and she is always the first one volunteer to help for the good of the entire organization.

If ever you are considering Myrene for a position, congratulations. You have found a true professional who will exceed your expectations. I hereby give my full recommendation of Myrene. Please feel free to contact me at any time to discuss further.

Sincerely,

Lori Widmer
